This permit is for the initiation of Clearing and/or Grading activities that may be associated with other approved or permitted work. All work will be conducted in compliance with all applicable regulations and conditions of the Town of Mount Pleasant. Submission of this application certifies that all best practices for site sediment control and/or tree protection have been installed and are ready for Town inspection. The approval of this permit does not obligate the Town of Mount Pleasant to issue a building permit or permit site infrastructure improvements. This permit, and the associated installations, will not be authorized until all other Federal, State, and Local permits and approvals have been obtained, where applicable. Any violation of Federal, State or Town ordinances and permits can result in an immediate Stop Work Order or permit termination. A copy of this permit shall be available on-site at all times for reference by workmen and government officials.
